

# MISSION OF THE MONTH: SEPTEMBER 2021

If you complete five boxes in a row in any direction (horizontal, vertical, diagonal), you complete the mission! If you are too young to read, it's fine if your grownup reads to you! You can work on this at home, outside, or wherever you like! The BONUS box is free!

After you have completed the Mission, go to the Mission of the Month program on the Read Squared website, and check off that you have completed the mission for September 2021. Details on back.
